

## GOVERNMENT WILL RID U. S. OF REDS

Ask Appropriation to Fight  
to Finish Deportation Pro-  
ceedings Now Pending

## ANOTHER RAID MADE IN NEW YORK

WASHINGTON, Jan. 6.—De-  
termination of the government to  
carry on to the finish its fight to  
rid the nation of Communist and  
Communist Labor Party members  
more than 2,500 of whom await  
deportation proceedings was seen  
in the request transmitted today  
by the department of labor to  
congress for new appropriations  
aggregating \$1,150,000, to be  
used in the enforcement of laws  
against radicals and for their de-  
portation.

While members of congress  
were giving the request prelimi-  
nary consideration from the  
temporary headquarters here of  
the Russian soviet bureau there  
was issued a statement by S.  
Norteva who said he was secre-  
tary to Ludwig C. A. K. Martens,  
self styled ambassador of the  
United States from the Russian  
soviet government, setting forth  
general charges against depart-  
ment of justice agents.

Department of labor's request  
for additional funds was based  
on a recommendation of Anthony  
Cammetti, commissioner general  
of immigration, who declared the  
department of justice had amassed  
such quantities of evidence  
against radicals as mean at least  
two months work. The hearings  
on deportation cases are sched-  
uled to begin tomorrow in several  
cities.

The attorney general's staff,  
detailed to prepare the cases  
against the radicals is anticipat-  
ing a strenuous fight before those  
to be deported are aboard an out-  
going steamer. In addition to the  
rush fund, of the two parties  
estimated at more than \$1,000,  
000 officials said today that un-  
doubtedly "more would be ob-  
tained where that came from."

While these sources of the  
financial support were not fully  
disclosed, it was said that depart-  
ment agents had seized several  
thousand books of social war  
bonds, each of which bonds was  
sold for \$1. Interest on the bonds,  
which on their faces ascribe their  
purpose to "help crush the capi-  
talistic system" is made payable  
"on the day after the social rev-  
olution."

The government hereafter will  
maintain a closer surveillance  
over immigrants in order to  
check the inflow of undesirable.

Allens coming to the United  
States will be more thoroughly in-  
vestigated. Their passports will  
have to be issued by governments  
friendly to the United States un-  
der Secretary of State Polk, said  
today.

**Raid Soviet Newspaper Offices.**  
New York, Jan. 6.—Another  
raid was made today by depart-  
ment of justice agents on the  
offices of the Russian soviet news-  
paper Novy Mir. Fourteen men  
and one woman who were attend-  
ing a meeting of the Communist  
Labor Party were arrested. The  
agents also found cards on which  
were the names of 1,000 Com-  
munist throught the United  
States.

During this raid, fifty-seven  
more alien plotters including  
Alexander Dorman, said to be the  
leader of New Jersey and East  
Pennsylvania Communists, ar-  
rested at Ellis Island.

At the island the first out-  
breaks since the beginning of the  
department of justice raids were  
reported. Gregory Weinstein,  
halled as "Trotzky's closest friend  
in the United States and chief of  
staff" of Ludwig C. A. K. Mar-  
tens, ambassador of soviet Russia  
fought desperately when inspec-  
tors forced him to be officially  
photographed.

Thirteen radicals rose in a  
body from their premises and  
movie men at the cameramen with  
seven burly inspectors, the  
women charged again and swept  
the place clear after a spirited  
fight. One man received a black  
eye, the result of a "left swing"  
by a girl who said she had fought  
in the Russian women's battalion  
of death. Tomorrow, Supreme  
Justice Davis is to sign an order  
committing to jail Dr. Michael  
Miesleg, treasurer of the Novy Mir,  
for contempt of the joint legisla-  
tive committee, investigating sedi-  
tious activities in New York.

Deputy Attorney General Ber-  
ner announced today that Mar-  
tens and Santori Norteva, secre-  
tary of Martens' "embassy," will  
be dealt with similarly, as will  
all others who decline to testify  
or produce documents for the  
committee.

Harry Witnitsky, secretary of  
the Communist Party was released  
today by the department of jus-  
tice on his production of evidence  
of citizenship. He is awaiting  
trial in the state courts charged  
with criminal anarchy.

## CLEVELAND AWARDED TRAPSHOOTING TOURNAMENT

New York, Jan. 6.—The Grand  
American Handicap trapshooting  
tournament for 1920 was award-  
ed today to Cleveland, Ohio by  
the American Trapshooting As-  
sociation. The tournament will  
be held in August.

## GREEN DEFENDS ACTION OF HIMSELF AND LEWIS

Miners' Chief Declares Only  
Other Alternative Was "Disas-  
ter and Defeat for Miners' Or-  
ganization."

COLUMBUS, O., Jan. 6.—De-  
fending the action of himself and  
Acting President John Lewis in  
agreeing to accept President Wil-  
son's proposal for settlement of  
the soft coal miners' strike, Wil-  
liam Green, international secre-  
tary of the United Mine Workers  
declared tonight that the only  
other alternative was "disaster  
and defeat for the miners' or-  
ganization."

"We could have whipped the  
coal operators but we could not  
if we had wanted to whip the  
strongest government on earth—  
our government, which had just  
finished whipping Germany."

"If we had not accepted Presi-  
dent Wilson's proposal of settle-  
ment the powers of the federal  
government would have been  
loose on us with greater force  
than anything we have  
ever seen. We would have  
reached the limit," he asserted  
the delegates with great applause,  
voiced approval of what he said.

"With every mining commu-  
nity in the country honeycombed  
with federal agents gathering evi-  
dence against our men, our funds  
tied up and women and children  
freezing and facing starvation,  
how in the name of God could  
we go on with the strike?"

His speech followed an attempt  
on the part of some delegates led  
by Robert H. Harlin, president of  
the Washington miners, to defeat  
the purpose of the motion by  
Philip H. Murray of Pennsylvania,  
to approve the actions of the  
officers, by requiring the award  
which is to be made by the pres-  
ident's commission to be sub-  
mitted to a referendum vote or a  
re-convened convention of the United  
Mine Workers. Green and  
Lewis warned the delegates that  
to do otherwise than accept the  
proposal would not be keeping  
faith with the president's pro-  
posal and that the commission  
might not make any award if the  
miners should decide to reserve  
the right to a referendum on the  
commission's findings.

Lewis ruled Harlin's amend-  
ment out of order.  
Both officials stated that ac-  
ceptance of the president's pro-  
posal meant that the miners  
agreed to abide by the decision  
of the president's commission.  
Lewis declared the public and the  
commission are entitled to know  
whether the operators and the  
miners will abide by its decision.  
"If they do not agree to abide  
by the decision then there can be  
no arbitration," Lewis said. "The  
president's proposal," he said,  
predicated upon his belief that  
it would be accepted, by both  
parties."

Lewis will address the conven-  
tion tomorrow and then the con-  
vention will vote on the motion  
to affirm the action of the offi-  
cers.

## DECLARES DISASTER THREATENS EUROPE

PARIS, Jan. 6.—Disaster  
threatens Europe as a result of  
the policy adopted by the allied  
nations in the opinion of General  
Ludendorff, former commander  
in chief of the German armies,  
an interview with whom is printed  
in today's Matin. General  
Ludendorff refused to talk on the  
internal situation in Germany  
created by the Versailles treaty.  
"After the shameful treatment  
which Germany has endured from  
the entente," he said, "I must  
refuse to publish anything in the  
entente press. If in our final  
ruin, which is coming the entente  
nations are dragged along with  
us, they will have none to blame  
except themselves. Soon a  
catastrophe will strike Europe and it will be be-  
cause of the short-sighted policy  
of the entente."

## PERSHING MAY BE CHIEF OF STAFF

WASHINGTON, Jan. 6.—In-  
corporation of language in the  
army reorganization bill which  
senate military sub-committee  
members said today would make  
General Pershing chief of staff is  
under consideration by the com-  
mittee. As drawn the tentative  
provision would make the gen-  
eral of the army chief of staff.  
General Pershing alone holds this  
rank personally also General  
March has similar rank while ad-  
signed to his present duty. Under  
a provision adopted by the com-  
mittee the "general of the army"  
would head a board of general of-  
ficers to select officers for staff  
duty.

## SAVED FROM HANGING FOR SECOND TIME

CHICAGO, Jan. 6.—For the  
second time within a month, Ar-  
thur Haensel, convicted of wife  
murder, today was saved from  
hanging by intervention of the  
courts.

Haensel was to have been exe-  
cuted in the Cook county jail  
Friday after having been re-  
rieved last month, fifteen minutes  
before he was due to go on the  
gallows.

Justice Orrin N. Carter of the  
supreme court, granted a writ of  
superedeas today to postpone  
the execution until the supreme  
court meets next month.

## FAMOUS HOTEL OWNER DIES

Chicago, Jan. 6.—William  
"Smiley" Corbett, hotel and cafe  
owner, known by hundreds of  
actors, sporting men and politi-  
cians, died here last night. Cor-  
bett was proprietor of the Old  
Lamb Cafe, a gathering place  
for sporting elements and politi-  
cians. He served as deputy  
corner for seven years.

## FIFTH CONVENTION CALLED TO ORDER

Delegates to Constitutional  
Meet Choose Permanent  
Officers.

## WOODWARD NAMED PRESIDENT OF BODY

SPRINGFIELD, Ill., Jan. 6.—  
Delegates to Illinois' fifth con-  
stitutional convention took their  
first steps toward organization to-  
day and adjourned until 10 a. m.  
next Wednesday, January 14,  
when the committee on rules and  
procedure, appointed today, will  
make its report. The delegates,  
called to order by Governor  
Frank O. Lowden at noon, elected  
Charles E. Woodward of Ottawa,  
president of the convention by a  
unanimous vote. Bert H. Mc-  
Cann of Bloomington was elected  
secretary, defeating Lieutenant  
Col. J. J. Bullington of Taylor-  
ville, the only other nominee, by  
a vote of 82 to 17. McCann is a  
Republican and Bullington a  
Democrat.

Members of the rules commit-  
tee appointed by President Wood-  
ward this afternoon are Henry L.  
Green of Savoy, David E. Shan-  
ahan of Chicago, E. C. Curtis of  
Grant Park, Charles H. Hamill  
of Chicago, William E. Traut-  
mann, of East St. Louis, George  
C. Gale of Galesburg, William A.  
Wall of Mound City, Frank J.  
Quinn of Peoria and P. A. Pearce  
of Carmi.

President Woodward will be  
chairman of the committee.  
This committee held its first  
meeting here tonight.  
Governor Lowden in opening  
the convention made a short ad-  
dress to the delegates in which he  
emphasized the importance of  
their task. He also made a plea  
that partisanship be kept out of  
the work of the delegates.

Seats were assigned the mem-  
bers this afternoon. The ques-  
tion of a week's adjournment  
brought protests from some of  
the delegates, but several speak-  
ers expressed the belief that for-  
mulation of rules and procedure  
now would expedite the work of  
the convention later.

All delegates who expressed  
opinions favored a short session  
of the convention.  
The question of a week's ad-  
journment brought protests from  
some of the delegates, but several  
speakers expressed the belief that  
formulation of rules and procedure  
now would expedite the work of  
the convention later.

## NO DEVELOPMENT IN TREATY FIGHT

Washington, Jan. 6.—Disposi-  
tion was evidenced by leaders of  
all senate factions to away Presi-  
dent Wilson's message to the  
Jackson Day dinner of Demo-  
cratic leaders Thursday before  
taking further action in the peace  
treaty situation. While confer-  
ences continued today between  
Senators, spokesmen of the vari-  
ous groups said they did not ex-  
pect any move in the senate until  
after the president's letter made  
public.

The only new development to-  
day in the controversy was the  
inauguration of discussion be-  
tween a few Democrats and mild  
reservationists.

## PROTESTS AGAINST LEAGUE OF NATIONS

Chicago, Jan. 6.—Mayor Wil-  
liam Hale Thompson, Republican  
national committeeman from Illi-  
nois, tonight addressed a com-  
munication to the members of  
the United States senate, peti-  
tioning them to allow the people  
to vote for or against adoption of  
the league of nations covenant,  
which he termed this "hellish  
scheme to deprive us of our free-  
dom and our importance." He  
urged that the senate declare the  
country now at peace without  
making peace dependent upon  
ratification.

## PLAN TO INCREASE THEIR MEMBERSHIP

The annual meeting of the  
stockholders of the Jacksonville  
Savings and Loan association was  
held at the office of the treasurer  
44 1/2 North Side square, Tuesday  
night. The following members  
were chosen as directors: E. L.  
Kinney, F. J. Andrews, Albert  
Metcalfe and Joshua Vasconcellos.  
The following officers were re-  
elected for the ensuing year:  
President—Joseph R. Harker.  
Secretary—J. O. Applebee.  
Treasurer—A. B. Applebee.

The directors decided to start  
a campaign for the securing of  
new members, purposing thus to  
aid those who desire to become  
home owners. This program is  
in line with national "Own Your  
Home" day which has been fixed  
as Jan. 20. The slogan of the  
directors will be "100 new homes  
in the Building and Loan associa-  
tion."

here early today.

## Condensed Telegraphic News

PARIS, Jan. 6.—It is reported  
in diplomatic quarters that while  
it will not be impossible for the  
exchange of ratifications to take  
place Saturday, the ceremony may  
be delayed until Monday, January  
12. This is due to difficulties en-  
countered by the commissions of  
experts.

JERSEY CITY, Jan. 6.—Victor  
L. Berger, representative-elect  
from Wisconsin was escorted out  
of Jersey City tonight by Chief of  
Police Battersby.

ODDENSEBURG, N. Y., Jan. 6.—

Rouse's Point seized 500 cases of  
Canadian whiskey today. They  
were found in a car of hay which  
was consigned from Montreal to a  
firm in Newark, N. J.

PINCKNEYVILLE, Ill., Jan. 6.—  
The trial of William P. Wroten,  
a farmer, charged with having  
drowned his wife on July 7 in a  
creek near here, was begun in cir-  
cuit court today. A week after  
the drowning Wroten and 15 year  
old Mary Brown were married but  
the child wife later renounced  
Wroten, it was said.

SPRINGFIELD, Ill., Jan. 6.—A  
call for the condition of all illi-  
nois state judges at the opening of  
business December 31, 1919, was  
issued tonight by Andrew Russell,  
auditor of state.

## PREVOST HELD FOR BROWN MURDER

Cousin of Deceased Man's Widow  
Charged With First Degree  
Murder By Special Grand Jury.

Mt. Clemens, Mich., Jan. 6.—At  
the request of Attorney General  
Alex Groesbeck, who headed the  
special grand jury investigation  
into the slaying two weeks ago of  
J. Stanley Brown, a warrant was  
issued today for Lloyd Prevost,  
cousin of Brown's widow, charg-  
ing first degree murder. Prevost  
has been in custody without a  
warrant since last week.

Authorities declared that their  
investigation had uncovered cir-  
cumstantial evidence which up-  
held Prevost's alibi and consti-  
tutes, they say, a complete cir-  
cumstantial case. The evidence  
also promises the officers stated to  
involve a second man.

Details of testimony at the  
secret inquiry made public today  
relate to the pistol with which the  
officials declare they believe  
Brown was shot while in his auto-  
mobile several miles from here.  
His testimony it was said was  
given by a woman who overheard  
a conversation between Stanley  
Prevost, a nephew of the accused  
man, and two companions and  
was to the effect the officers stated  
that Young Prevost had returned  
a borrowed weapon to Lloyd Pre-  
vost at the latter's request on the  
night Brown was killed. This  
pistol it was said is in the hands  
of the officials.

The finding of Brown's money  
belt in which he had been in the  
habit of carrying large sums was  
regarded by officials as eliminat-  
ing the theory that robbery was  
the motive for Brown's killing.  
The belt was discovered today in  
Brown's home by his widow.

## PLAN ESTABLISHMENT ROOSEVELT ARCHIVES

NEW YORK, Jan. 6.—Plans for  
the establishment of "Roosevelt  
Archives" probably in Washing-  
ton where biographical matter re-  
lating to Theodore Roosevelt will  
be collected and preserved for his-  
torical purposes, were made today  
at a meeting of the Roosevelt  
Memorial association committee on  
a living memorial for the advanc-  
ment of Roosevelt's ideas. The  
committee also plans a collection  
of the motion picture films of Ro-  
osevelt to be deposited in the con-  
gressional library at Washington  
for use in schools and colleges.

## FORMER RESIDENTS LOSE GOODS IN FIRE

Rev. and Mrs. J. H. Morphis Have  
Household Goods and Keep-  
sakes Burned at Farmingdale.

Word has been received here of  
the burning of the Presbyterian  
parsonage at Farmingdale on the  
morning of New Year's day.  
Rev. J. H. Morphis, who was  
pastor of Northminster church  
here during the absence of Pastor  
W. E. Spoons in France, is now  
in charge at Farmingdale.

The fire started from the fur-  
nace about 7 o'clock in the morn-  
ing. Most of the property of Rev.  
and Mrs. Morphis was on the sec-  
ond floor of the residence and  
they lost considerable thru the  
blaze.

While here they made many  
friends who will regret to hear of  
their misfortune.

## FIRST ANNIVERSARY OF ROOSEVELT'S DEATH

OYSTER BAY, N. Y., Jan. 6.—  
Hundreds who revere the memory  
of Theodore Roosevelt visited his  
grave in Youngs Memorial Ceme-  
tery today, the first anniversary  
of his death and offered silent  
prayer or laid wreaths on the  
mound of their pilgrimage.  
Charles Lee the negro servant  
for years in the Roosevelt house-  
hold was first to lay a floral offer-  
ing. The bells of Christ Episcopal  
church where the colonel worshiped  
told today at daybreak  
about the hour of the former pres-  
ident's death.

## MEETING CALLED BY RESERVE BOARD

WASHINGTON, Jan. 6.—Bank-  
ers representing clearing house  
associations in all parts of the  
country meeting here today at the  
call of the federal reserve board  
failed to take final action on the  
question of interest rates on bank  
balances, but decided to hold an  
another conference at which it is  
expected an agreement may be  
reached to put a stop to competi-  
tive bidding between New York  
and inland cities for out of town  
deposits. The federal reserve  
board tonight issued a call for  
a second conference at Chicago,  
January 22, to be attended by  
three representatives from each  
federal reserve district. The pur-  
pose of the Chicago meeting as

## DISCUSS SWITCH PLAN WITH ALTON OFFICIAL

President Beird Has Objections to  
City's Proposed Track to Power  
Plant.

City officials who went to Chi-  
cago on business connected with  
the proposed new railroad switch  
did not meet with the most en-  
couraging reception. Mayor Crab-  
tree, Alderman Chapin and H. L.  
Caldwell as engineer, had an in-  
terview with President Beird of  
the Chicago & Alton, with refer-  
ence to the switch it is proposed  
to build, connecting the C. & A.  
with the city's new power plant  
and pumping station.

Mr. Beird has objections to  
building the switch, declaring  
that to construct a switch in con-  
nection with the main line track  
means a possible source of  
danger. In fact, the Alton official  
indicated in very plain words that  
he didn't think the business to be  
done at the plant, that is, the  
hauling of coal to it, was of suf-  
ficient volume to justify the Alton  
in the construction of the track.

Since the construction cost  
would be borne by the city, and  
further since the 5,000 or 6,000  
tons of coal per annum which the  
plant would consume has not for  
many years been hauled over the  
Alton, the local men were very  
much surprised by the statement.  
Altho Mr. Beird was so decided in  
his objections, the city authori-  
ties are not at all disturbed and  
believe that Mr. Beird and his as-  
sociates after they look into the  
situation carefully will decide to  
take the action that the city  
desires.

## WOMEN CIGARETTE SMOKERS NOT IMMORAL

New York, Jan. 6.—Smoking  
of cigarettes by women was  
judicially decreed today as not  
immoral. The decision was made  
by Supreme Court Justice Mullin  
in a separation suit in which  
counsel for the husband tried to  
show that cigarettes had been  
found in the wife's dresser drawer  
and that this constituted evidence  
of "bad character."

"It is not immoral for women  
to smoke cigarettes," declared  
the judge. "Some of the best  
women in the country and in the  
world smoke cigarettes. It would  
not make any difference if she  
had a thousand packages of  
cigarettes there. This isn't Hick-  
ville out in the center of the farm  
country."

## REPUBLICANS END SESSIONS

Chicago, Jan. 6.—Questions  
and answers were the order at  
the closing session today of the  
conference of Republican women  
from fourteen states of the mid-  
west. Delegates left for their  
homes tonight with information  
on how to make a Democratic  
editor print Republican propa-  
ganda, how to persuade individ-  
uals dissatisfied with primary  
results to work for straight ticket  
voting, how to hire halls, intro-  
duce and accommodate visiting  
speakers, collect campaign funds  
and canvass precincts.

## DEFERRED PUNISHMENT.

The wheels of justice move slowly. A ruling has just been made that a wholesale firm in St. Louis shall not be allowed to dis-

sugar. This action was taken because a member of the firm some time since admitted buying sugar at 9 1/2 cents a pound and selling it at from 14 to 15 cents a pound.

In the eyes of the average consumer now paying from 20 to 22 cents a pound this does not appear like a very heinous crime on the part of the aforesaid wholesaler. At the time of the alleged offense the proposed penalty might have had some good effect, but in view of present market conditions it seems an entirely senseless sort of finding.

## MR. KENYON HAS ANOTHER PLAN.

Senator Kenyon does not propose to have his bill for the control of the packing industry entirely sidetracked because of the agreement reached between the department of justice and the packers whereby pending suits were withdrawn and the need for legislation seemingly lessened. The Kenyon bill as originally introduced provided for the licensing of packers, the effect being to give the government very complete control of the packing industry. Now the senator proposes

that if the licensing plan is not favored, that a system of registration be provided. The effect would be about the same as the licensing plan, and so some vigorous opposition from the packing industry may be expected.

## REASON FOR CHEERFULNESS.

People who are inclined to worry about the coal shortage and the possibility of further trouble with the miners, should remember that unless all records are broken there can be only a few weeks of very cold weather between now and spring. Then another reason for the cheerful spirit is that the shortest day was passed by several weeks since, and now each day will bring a little larger supply of sunlight and warmth.

## GRASP AT EVERY STRAW.

The liquor interests, grasping at every straw, will find some consolation in the fact that the supreme court was divided five to four in its finding declaring that 2 1/2 beer is intoxicating. This finding, however, refers only to wartime prohibition and has nothing to do with the court's opinion of the same question in its relation to the prohibition amendment.

Every high court finding thus far has simply nailed down the lid of John Barleycorn's coffin tighter and there is nothing so far on record to give the wet advocates any hope. The fight will continue but some day the liquor forces must come to the last ditch.

## BIG BENEFITS POSSIBLE.

You can say truly that the good

roads question is old and hackneyed. Nevertheless, it is the biggest problem that confronts this community today. There are enormous benefits possible thru the good roads movement and how largely and how soon the people share in the possible benefits depends mainly in the interest shown. Big funds are available thru state and national legislation, and the people of this community can do nothing better for themselves than to get into an effective organization and claim these benefits as early as possible.

Eventually, perhaps, each community will have just about the same amount of good roads available, but those counties which organize promptly and wisely will share in those benefits more quickly than those counties where no enthusiasm is shown.

**In Our Darkness.**  
We might as well be reconciled to Vital Truths, my fellow men; Old Booze is dead, and protests will won't bring him from the dump again. Some sports with million dollar thirsts, have baseless hopes that he'll return; but every hope of that sort bursts; no more grogshop bright lights burn. No more we'll seek the glaring booth to buy cold bottles from the ice; so let's accept the ghastly truth, and hit the hydrant once or twice. There's naught more futile than a hope that has no ground on which to stand; the courts have handed us the dope that Barleycorn is doubly canned. Then let's forget the bowl of gin, the forty drops we used to crave, the back beer sign, the wayside inn—for Barleycorn is in his grave. No walls can ever raise the dead, the loved and lost is not reborn; the hydrant's standing, cool and red, inviting us to take a horn. John Barleycorn will never make return trip from the dim beyond; so let's forget his nob's and take four fingers of the nearest pond.

## Matrimonial

**Wilson-Boston.**  
The many friends of Miss Starr Boston of this city will be surprised to learn of her marriage to Mr. John G. Wilson, which was solemnized in Virginia on New Year's day. The ceremony took place at the Christian church parsonage, Rev. C. E. French, officiating. The young people were attended by Miss Louise Boston of this city, sister of the bride, and H. Otho Earl of Springfield. Immediately following the ceremony the four left for a brief automobile trip. Later they came to this city for a brief visit with the bride's parents, Mr. and Mrs. W. E. Boston, on East College avenue.

The bride is the daughter of Mr. and Mrs. W. E. Boston, well known residents of this city. She received her education in the public schools and graduated from the local high school in the class of 1918. For more than a year past has served as bookkeeper in her father's store. Mrs. Wilson is a young woman possessed of great personal charm and has been deservedly popular with a wide circle of friends.

Mr. Wilson is a son of Mr. and Mrs. Robert Wilson of South Fifth street, Springfield. He was born and reared in the capital city and attended the public schools there. Later he was a student at Illinois college in this city and was a member of S. T. T. C. unit at the local college. He has many friends both in this city and in his home community. He now fills an important position in the office of the Standard Oil Co. in Springfield.

Mr. and Mrs. Wilson will begin housekeeping in Springfield at an early date, and will have the best wishes of their many friends for a long and happy wedded life.

## Births

Born Tuesday to Mr. and Mrs. George D. Doherty, a son. Mrs. Doherty was formerly Miss Ethel Sweeney of this city.

# ILLINOIS COLLEGE

## NOTES

The first chapel exercise since the holidays was held Tuesday morning in the Jones building. At that time Dr. Rammelkamp made announcement of the very special progress which has been made in the Endowment Campaign during the holidays. Many alumni, former students and graduates of the Academy and Athenaeum remembered "Old Illinois" by sending Christmas gifts for the Endowment. The aggregate of these Christmas gifts amounted, the President said, to over \$12,000. He, therefore, asked Professor Poaga to move the Endowment meter forward from \$43,500, where it stopped before the holidays, to \$55,500, the amount now subscribed. Among the more substantial subscriptions which amounted to \$12,000 were the following:

Member of the Class of '91, \$2,500.  
Member of the Class of '02, \$500.  
Member of the Class of '96, \$1,000.  
Member of the Class of '92, \$500.  
Member of '02, \$200.  
Member of '02, \$100.  
Member of '94, \$1,000.  
Member of '95, \$300.  
Member of '67, \$500.  
Member of '97, \$500.  
Jacksonville friend, \$300.  
Member of '87, \$100.  
Member of '86, \$100.  
Member of '83, \$500.  
Member of '11, \$100.  
Member of '18, \$100.  
Member of '91, \$200.  
Member of '79, \$100.  
Athenaeum Graduates, \$500.  
Member of '05, \$100.

President Rammelkamp said that, although he was mentioning only the subscriptions from \$100 up, it must not be forgotten that some of the subscriptions of less than \$100 represented greater sacrifice than some above that amount. Preparations are going forward for the vigorous prosecution of the campaign. President Rammelkamp is planning to go to New York in time to attend the New York Alumni Banquet which is to be held at the Hotel McAlpin, on Broadway, on January 18.

Dr. McCord, medical missionary from South Africa gave a very interesting talk to the students at Chapel concerning his work among the Zulu tribes of the southern part of Africa. Among other things Dr. McCord said the Zulus are considered the brightest of all African tribes and mentally most capable. Missionaries have been with them for eighty or ninety years. Dr. McCord said, "The aim of the missionary is to combat the Zulu's superstitious belief in Witchcraft." "The hold of this superstition is still very strong among them. The four phases of this superstition are: Their belief in the Witch, himself as a person who controls supernatural power—generally for harmful influence to the people; their belief in persons who are able to produce the instruments for exercising witchcraft—generally medicine; their belief in certain concoctions, the most effective being produced from some parts of the body of a white person; and the fourth phase, that of attributing diseases and disaster to the exercise of this witchcraft power. And, consequently the best way to combat this superstition is to show some kind of control of disease which educated physicians, sent among them as missionaries, can do. Dr. McCord said that, if he could, he would establish a Medical Mission in Southern Africa in which Native Zulus could become able, as doctors, to handle disease among the natives, since among the hundreds of thousands of Zulus, it is not possible to send enough missionaries down there to offset this superstition. Dr. McCord's wife also a missionary in Africa was with him.

## Those Who Do Heavy Work

out in the fields, in the streets, on the roads, in factory, shop or store, will find Chiropactic especially beneficial in relieving the ill-effects of strain and over-exertion. This exertion throws the moveable parts of the spine slightly out of position so they press on the nerves and shut off the life-giving currents that these nerves supply to certain parts of the body.

Weakness and severe illness in some organ of the body often follows; but generally these spinal defects sooner or later weaken the whole system and the worker becomes tired, depressed, out-of-sorts, and subject to all manner of illness.

It is therefore important that all who do heavy work investigate Chiropactic and learn how it eliminates the ill effects of spinal defects by spine adjustments which remove the pressure from the nerves. Nature then can restore normal conditions and build up and strengthen the weakened and diseased organs.

## OBITUARY SKETCH OF VIRGINIA RESIDENT

Death of Mrs. M. E. Henderson Removed Long Time Cass County Resident—Miss Nellie Snyder Seriously Ill—Other News Notes.

Virginia, Jan. 6.—Martha E. Johnson was born in Morgan county, Illinois, Dec. 14, 1854, and departed this life Jan. 1, 1920, at the family residence on Sylvan avenue, Virginia, Ill. The deceased had been in failing health for a number of years, having been a sufferer from Bright's disease, but her final illness was of only a few hours' duration. The evening prior to her death she had attended a social function at the home of a friend and the morning of January 1st she visited a neighbor. She was taken suddenly violently ill after view, and the family physician was summoned. The daughter of the deceased reached her bedside before death came but her mother was unable to recognize her.

The deceased was married to George H. Henderson in the year 1870. She is survived by one daughter, Mrs. Della Chamberlain of Dow City, Iowa; two granddaughters, Miss Erma Chamberlain of Dow City, Iowa, and Mrs. Treanna Davis of Lake View, Iowa. She also leaves one brother, James Johnson, living at Arcadia.

Mrs. Henderson was of a kindly disposition, always thinking of the welfare of friends and neighbors. She will be sadly missed in the community where she has spent her long and useful life.

She was affiliated with the Rebekah lodge, the Court of Honor, the W. C. T. U., and was a faithful member of the Church of Christ.

Funeral services were held Saturday afternoon from the residence, Rev. C. E. French officiating. All the arrangements were in accordance with the expressed wishes of the deceased.

Among those present from a distance were Mrs. J. E. Rucker, Decatur; Mr. and Mrs. S. H. Crum and sons Omer and Darrell, and James Petefish, Litterberry; Mr. and Mrs. Ellis Thompson, Mr. and Mrs. John Kennedy, Mr. James Johnson, Arcadia; Mr. and Mrs. Edward Chamberlain and daughter, Miss Erma, Dow City, Iowa; Mrs. Treanna Davis, Lake View, Iowa; Mrs. Margaret Widmayer, Rock Island; Mrs. Edw. Munson, New Berlin; Mrs. G. F. LaRue, Mr. and Mrs. D. E. Kennedy, Mr. and Mrs. James Kennedy, Mrs. A. J. Ogram, Mr. and Mrs. Charles B. Graff, Jacksonville.

Funeral services over the remains of Mrs. Jane Petesch whose death occurred at a Springfield hospital Tuesday, were held at the late residence Friday morning in charge of Rev. N. M. Riggs, pastor of the M. E. church.

News Notes.  
Miss Nellie Snyder, who has been ill at the family home for some time, is not improving as rapidly as her many friends wish, and her condition is at present quite alarming.

Jesse McCosley of Bismarck, North Dakota, is the guest of friends and relatives in this city.

Miss Josephine Sallee is ill at the family home on North Front street.

Mr. and Mrs. John McIntire were pleasantly surprised by their friends Thursday evening. The event was in honor of the fifteenth anniversary of their wedding.

Born to Mr. and Mrs. John Devlin, January 3, a son, third child.

## HOSPITAL PATIENT KILLED BY INMATE

Jacob Schneider of Adams County Dies Yesterday at Jacksonville State Hospital as Result of Being Kicked by Fellow Patient Monday—Force of Blow Perforated Lower Intestine—Inquest Held Last Night.

Jacob Schneider of Adams county, aged 45 years, a patient at the Jacksonville State Hospital since 1912, died yesterday afternoon at 4:50 o'clock as the result of being kicked in the intestine by another patient, Otto Ray Boren, Monday morning. The force of the kick perforated the lower intestine and although Schneider was taken to the hospital for treatment as soon as his condition was discovered Monday he passed away at the hour stated. It was stated by the medical authorities at the state hospital that the kick would not have resulted fatally had it not been for the man's physical condition at the time. It is said that he was suffering from chronic appendicitis, had adhesions in the intestines and also suffered from a hernia of long standing.

### The Quarrel.

Monday morning about twenty-eight or twenty-nine men, Schneider and Boren included, were

taken out on detail work under Attendant Enoch Eubanks. They went over to one of the west buildings and started work cleaning out a tunnel there. It was brought out by witnesses at the inquest on the job long before Schneider became quarrelsome and struck at Boren with a broom. As the dead man, it is said, was menacing in his attack, Boren retaliated by kicking at his antagonist to keep him away. The toe of Boren's shoe struck Schneider in the lower intestines. Boren testified that this occurred about 9 or 9:30 o'clock Monday morning. The attendant, Eubanks, however, failed to discover the injured man's condition until 11:30 o'clock, as it is stated that Schneider made no outcry or complaint. As soon as the extent of his injury was ascertained medical assistance was at once summoned and he was removed to the hospital where everything possible was done to save his life. Dr. T. C. McClain was the first physician to reach Schneider, but after the patient had been removed to the infirmary Dr. W. G. Murray took charge of the case.

### The Inquest.

As soon as death occurred the hospital authorities notified Coroner Charles A. Rose, who empaneled a jury and went to the institution where an inquest into the death was held at eight o'clock last night. The patient,

Boren, testified, telling of the affair approximately as stated above. He said that he had no intention of seriously injuring Schneider when he kicked at him. Boren has been a patient at the hospital for the past three years. He came here from Edwardsville and has never before shown a bad disposition or been quarrelsome according to the hospital authorities.

Dr. Murray presented a history of the patient, describing his physical condition prior to the accident, and telling of the condition of the patient after he was brought to the infirmary Monday morning. In the opinion of Dr. Murray the injury would not have proven fatal had it not been for the unhealthy condition of the patient's body at the time. In other words, Dr. Murray stated that if Schneider had not been suffering from chronic appendicitis, if he had not had adhesions of the lower intestines, and had not had a hernia, it is probable that the kick would not have caused death.

Dr. Eubanks and Miss Henley also testified regarding the case. The attendant, Eubanks, was also called to the witness stand and corroborated the story of Boren and of the doctors.

### The Verdict.

The jury composed of Dr. R. R. Buckthorpe, foreman; C. E. Cully, F. M. Crabtree, Charles Laney, H. B. Davis, and Homer Cully, after deliberating over the testimony presented returned the following verdict:

"We the jury sworn to investigate the death of Jacob Schneider, a patient at the Jacksonville State Hospital do find that he came to his death from perforation of the small intestine, the result of being kicked by another patient, Otto Ray Boren."

## VERDICT RENDERED IN DRAINAGE CASE

Jury Makes Finding on Indian Creek Drainage Number Two—About 6,500 Acres in District.

The verdict of the jury empaneled to make an assessment of benefits and damages in the Indian Creek Drainage District No. 2 filed a verdict in the county court Tuesday. The verdict was received and filed on the order of Judge Samuel and the hearing was continued until January 19. At that time the court will probably approve the finding and then the opportunity will be given to any objector to take an appeal to the supreme court if he so desires.

After a long hearing the case was given to the jury about the middle of November. A number of days were spent in examining the lands within the district, and subsequently considerable time was spent by the jury in figuring the amount of benefits, damages and the annual benefits as far as each property owner is concerned. This does not mean that the jury has spent all the time during the past six weeks in this work, for there was a considerable time when the illness of one juror prevented action, and the work has been interfered with in various ways.

### Large Acreage.

Indian Creek drainage district No. 2 as proposed includes about 6,500 acres of land adjacent to Indian Creek and located between

## MISS HEMBROUGH ENTERTAINED FRIENDS

Gave Party at Home in Astbury Neighborhood—Other Interesting Items.

Astbury, Jan. 6.—Miss Alma Hembrough entertained a few of her friends at her home last Wednesday evening, during the hours dainty refreshments were served.

Mr. and Mrs. George Hembrough and daughter Marie and Mr. and Mrs. Carl Hembrough attended the Megginson family reunion that was held at the home of Mr. and Mrs. Claud Winter New Year's Day.

Howard Megginson returned home Sunday after spending the holidays with his cousin Waldo Bealmer near Sinclair.

Mr. and Mrs. Edward Craig and children Brenda and Delos spent Monday evening at the home of Mr. and Mrs. John Becker.

Mrs. Carl Hembrough was a Wednesday guest of Miss Lucile Coultas in Jacksonville.

Mr. and Mrs. Harry Trotter, Mr. and Mrs. George Newman, Jr., Miss Eva Mortimer and Earl Mortimer attended the watch party held at the home of Mrs. Nettie Ezard in Woodson.

Mr. and Mrs. W. E. Barrows and Miss Helen Richardson were Sunday guests of Mr. and Mrs. A. B. Green in South Jacksonville.

Miss Sarah Reece, Miss Helen Craig and brother, Harry and Mr. and Mrs. George Newman attended the dinner given at the home of Mr. and Mrs. Richard Robinson near Sinclair last Tuesday in honor of Mr. and Mrs. George Robinson.

Mr. and Mrs. Charles Bealmer and son Waldo; Mr. and Mrs. George Hembrough and daughter

point three miles east of Concord, extending westward for a distance of something more than twelve miles, about half of the distance traversed is in Morgan county and the remainder in Cass county.

In the long court hearing the commissioners were represented by Worthington, Reeve & Green. The Burlington road as an objector was represented by Wilson & Butler of this city and Judge W. H. Dieterich of Beardstown. Thompson & Thompson of this city, Judge E. P. Brockhouse of this city and William Mumford of Pittsfield appeared for other objectors.

H. L. Caldwell was the engineer for the commissioners and the estimated cost of the improvement was \$163,330.

### No Railroad Damage.

The jury findings in many particulars do not vary largely from the original assessment roll as prepared by the commissioners. In the case of the Burlington road, however, the jury made no assessment of benefits and did not fix any amount of damages. In the original assessment the commissioners included \$15,000 benefits for the Burlington and in the court hearing the road made claim for a large amount of damages.

The jurors who made the assessment of benefits after hearing the evidence and making a personal investigation included: W. H. Crum, C. A. Rowe, M. A. Hulett, J. W. Baptist, George Erick, Alfred Anderson, O. C. Coulter, J. M. Allison, W. Leggett, W. E. Smith, George W. Eads, W. C. Thompson.

## SOCIAL EVENTS

### Lukeman Family Reunion.

The departure of Carl and Elmer J. Lukeman from the city to their respective places of duty has been mentioned in the Journal. Before the young gentlemen departed for their distant fields of usefulness their parents, Mr. and Mrs. John J. Lukeman, had a reunion at the family home, 1316 West State street, nine children were present in addition to grandchildren and other guests and the occasion was very delightful, clouded only by the early anticipated departure of several of those present.

### East Side Tuesday Club Met Yesterday.

The East Side Tuesday club met yesterday afternoon with Miss Mary Knollenberg on South Main street, with a good attendance of members. It was General Pershing afternoon and the life deeds of the famous commander of the U. S. army overseas was reviewed and discussed. Mrs. A. C. Baldwin read a paper on General Pershing's life up to the time he entered West Point. Mrs. D. E. Kennedy gave a paper dealing with the general's military career. The roll call was answered by the members present by some incident in Pershing's life. The program was followed by a social hour during which time the hostess served refreshments.

The next meeting of the club will be held with Mrs. T. O. Hardy Feb. 20th.

### Missionary Society Meets With Mrs. Griswold.

The Woman's Foreign Missionary Society of Grace M. E. church met Tuesday afternoon with Mrs. H. L. Griswold with a good attendance in spite of the inclement weather conditions. Mrs. R. A. Gates had charge of the program for the afternoon, assisted by Mrs. McMurphy and Mrs. Shoemaker. The subject considered was "A Forward Look." The members discussed plans for the future. A social hour was enjoyed following the program and light refreshments were served by the hostess.

The next meeting of the society will be held Feb. 3rd at the Illinois Woman's College with Mrs. J. R. Harker.

### Party Given at Home of Mr. and Mrs. Crum.

Mr. and Mrs. Durrell Crum entertained a small company of friends Monday night at their home northeast of Liberty. The evening was most pleasantly spent with music and dancing and at a late hour refreshments were served. Music was furnished by Ivan Bateman and Oliver Lindsay. Those present were: Oliver Lindsay and family, Walter Long, Mr. and Mrs. Earl Rexroth, Miss Thelma Lister, Misses Georgia Lillian Bateman, Ivan Bateman, Leo Barber, Miss May Martin, Floyd Martin and Russell Banks.

### Miss Dorothy Dodsworth Surprised on Birthday.

Miss Dorothy Dodsworth was pleasantly surprised by a number of her girl friends at her home on South East street Tuesday evening in honor of her eighteenth birthday. Miss Dodsworth went to the theatre early in the evening and upon her return home she found the guests all seated in the parlor. It is needless to say that the surprise was complete. However, she soon recovered her composure and gave the self invited guests a cordial welcome. Eight of Miss Dodsworth's intimate friends were present and the evening was spent with music and games and dainty refreshments were served. A feature of the refreshments was a large birthday cake.

### Standard Bearers of Brooklyn Meet.

The Standard Bearers Society of Brooklyn church met at the home of Miss Elberta Whitlock on South Clay avenue Tuesday evening. The study subject for the evening was "China." The members present considered the differences between the Chinese woman and the American woman, as to dress, living conditions, character, mannerisms, etc. A one act play on "The Ways of the Chinese and American Women" was carried out. Miss Louise Shepherd taking the part of the American girl and Misses Elizabeth Boruff, Dorothy Randle, Lucinda Young and Elberta Whitlock representing Chinese girls. Readings were given on the subject by Misses Olive Randle and Elberta Whitlock. A dialogue pertaining to the subject for discussion was carried out between Miss Marie Goheen and Miss Estelle Schofield. Refreshments were served by the hostess. The next meeting will be held Feb. 3rd with Miss Elizabeth Boruff.

### Missionary Society Holds Interesting Meeting.

It had been announced that Mrs. McCord would tell the ladies of missionary societies of the Congregational church of the work of the missionaries in South Africa. The worthy lady was unexpectedly joined by her husband yesterday and as he was near by and decided to come much to the gratification of herself and many others. Both spoke in the church.

Dr. McCord was born in Toulon, Ill., and graduated in the classical course at Oberlin, Ohio, and also met there the lady who

and now bears his name. He graduated from the medical department of Northwestern University, Chicago, in 1894. He was married a year later to Miss Margaret Meilen, whose mother was Miss Lauranne Fairbank, cousin of the late Rev. J. B. Fairbank, D. W. J. C. and Rev. Samuel Fairbank, at one time residents of this county.

Dr. McCord practiced his profession till 1899 when he entered the medical missionary work and sailed for Natal and for the greater part of the time since Durham, Natal, has been his home and there in charge of American board hospital he has served the people as medical missionary. In 1906 there was a native rebellion and to help quell it a native cavalry regiment was raised and he went with it as a surgeon serving with the rank of captain for four months.

During the world war, as the Dardanelles were closed troops passed through Durban to various fronts, Palestine, Mesopotamia and others and he saw soldiers from France, England, Australia, East India, Africa and in fact from all most all parts of the world. There was a base hospital at Durban and in it he did much professional work.

In the spring of 1918 he left for a vacation or furlough in his native land but failed to arrive till September. He saw how matters were and at once enlisted in the service and was assigned to Newport News, but like so many others, failed to get across but served six months, some time after the signing of the armistice as his services were much in demand.

Missionary doctors are about the only ones in Africa and they have each territory. In many cases twice as large as Illinois and each serves, as he can, a native population of a million or more. It is the doctor's desire to establish a medical school to train native Zulus to be doctors and he is making some headway in getting funds and assistants. He wants a number of doctors.

At the monthly meeting of the Woman's Missionary Societies of the Congregational church a large number of ladies were present to meet Dr. and Mrs. McCord. Mrs. McCord told some very interesting stories concerning her work there. She told her audience of the prevalence of polygamy and the hardships which this practice worked on the women; she also spoke of superstition and its detrimental effects on the life of the natives.

Dr. McCord is one of the best known surgeons in South Africa and has a practice which extends as far north as Zanzibar and as far into the Indian Ocean as the island of Madagascar. Some of his patients come from the far interior. For fifteen years the British government has refused to recognize the natives (natives) who have been graduated from the hospital of which Dr. McCord is head, but word has recently been received that the government intends not only to recognize these native nurses but also to subsidize each one who attends the hospital.

While Dr. and Mrs. McCord are in the United States they are seeing a few doctors who wish to go out as medical missionaries under the direction of the American board. While they stay in Jacksonville they are the guests of Mrs. J. C. Fairbank, a cousin of Mrs. McCord.

### FRANKLIN MARQUETTE TEAM DEFEATS K. C. FIVE

Local Team Loses Hard Fought Basketball Game by Close Score of 10 to 12.

In one of the fastest and most evenly matched basketball contests ever played in Jacksonville the strong Franklin Marquette five defeated the newly organized Knights of Columbus team on the Liberty Hall floor Tuesday evening by the score of 12 to 10. The score was tied in the final quarter and it was only during the last few minutes of play that Franklin was able to slip over the winning basket and decide the game's outcome.

For the victors, Rawlings at center and Berschneider at guard, played in remarkable form. They were given good support by their team mates, however, all of whom showed class as basketball players.

The local team has been organized but a short time and have not played together long enough to really have secured the best team work which always means success for any team. However, by their performance last night it is shown that they are rapidly rounding into shape and will undoubtedly make the best of them step some before the season is over. For the night, Rook and Froelich played a star game, while Cain starred at the guard position. Butler and Hamilton also showed up well.

### ARMY ORDER IS NOW IN EFFECT

Makes Springfield Center of Recruiting — Captain Skinner Takes Charge—Sub-Station Located Here Will Send Candidates For Enlistment Thru Capital City.

The new orders, by which Springfield is made the center of army recruiting activities in the southern portion of Central Illinois became effective yesterday.

Captain Guy W. Skinner, an overseas veteran, will direct the activities of the Springfield recruiting office and its five sub-stations. He has established his headquarters at the third floor of the First National Bank building, Sixth and Washington streets. Under the new orders all recruits enlisted at the sub-stations in Decatur, Jacksonville, Taylorville, Lincoln and Quincy, will go to Springfield for final examination before being sent to Jefferson barracks. Heretofore men enlisted at these stations have gone to Peoria or Bloomington for their last tests.

The drive for recruits for the Panama canal department will close January 15. Men are needed for the infantry, coast artillery, medical corps and engineering corps in this department. The term of enlistment in each branch is three years.

Those signing up for service in the canal zone will first be sent to the receiving station at Jefferson Barracks, Mo. From there, they will go to Camp Jackson, La. After a short period of training this latter post they will be ready to sail for the canal zone.

The canal department is one of the best in the army according to Sergeant William J. Hanson of the recruiting force. "One of the many features about the canal zone is the fine weather conditions prevalent in that section at this time of the year. Just think, it's around 80 in the shade down there now," he remarked.

Captain Randall of the medical corps at Fort Sheridan, visited the Springfield office yesterday to administer a third inoculation to attaches of the Springfield station and the sub-stations at Decatur, Jacksonville and Quincy. Among those who took the "shots" were: Sergeant Hanson, Corporal Solburn, Corporal Summerfield and Corporal Cloate of the local station; Sergeant Lunford, Quincy; Sergeant Smith, Jacksonville, and Corporal Johnson, Decatur.

### A MESSAGE TO MOTOR VEHICLE OWNERS

FROM ZAHN'S GARAGE  
The following is an extract from the rules and Regulations for the Guidance of Motor Vehicle Owners and dealers:

SECTION 37—All garage owners must keep a record of licenses and engine numbers of all motor vehicles taken in for repairs or storage. Altered or obliterated engine numbers shall be evidence of theft of the vehicle and the proprietors or his employees must notify the sheriff, etc., and hold the vehicle 24 hours until investigation is made.

The above went into effect Jan. 1 and in order to assist Mr. Zahn in complying with the above you are asked to have your license number and your engine number ready at hand when you leave your motor vehicle.

**SELLS TIMBER LAND**  
Mrs. Grace Bradney, 55 East Chambers street, journeyed to Waverly Monday to deliver a 56 acre tract of land to Jordan F. Peacock of Lowder. The land is favorably located in the southwest part of the county, lying adjacent to the vast acreage owned by Walter Carruthers and H. E. Moffett, president of the First National Bank of Waverly. The price for the timber land is said to have set a precedent in values in this section of the county.

### LARGE CROWD HEARS ADDRESS ON "CAPITAL"

Dr. Pontius Draws Good Audience at Trades and Labor Assembly Hall Last Night—Second Address Will Be Given Next Tuesday.

Rev. Myron L. Pontius, pastor of Central Christian church last evening delivered the first of a series of lectures at the Trades and Labor assembly hall. The subject of Dr. Pontius' talk was "Capital" and a number of interesting statements were made on the topic by the speaker. There was a large attendance at the meeting and the speaker held the interest of his audience thruout the discourse.

Next Tuesday evening Dr. Pontius will deliver a second address at the same place on the subject of "Labor."

An outline of the address given last night is given herewith:  
Address on "Capital,"  
Members and friends of the Trades Assembly:

It is impossible for me to tell you how much I appreciate the privilege of delivering these addresses. In coming to you I am prompted by no ulterior motive. For many years there has been a gulf between the church and organized labor. Organized labor has often said that the church is controlled by capital and the minister owned by the capitalist. Often the church has said that organized labor is the great enemy of the kingdom of God. This condition prevails because the church does not understand organized labor and organized labor does not understand the church.

I do not pretend to be an economist. Neither do I speak with any degree of finality upon these subjects. I have well defined convictions and I shall present these most fully. Perhaps you will differ from me often in these addresses. That is immaterial. I trust, however, that you will believe me sincere in my convictions.

At the beginning of the Christian era Rome ruled the world. All civilization felt the influence of her imperialism. Rome ruled with an iron hand. It was a government of the few. The few lead, the many followed; the masses were not considered. They were built into roads and cities and their blood outlined the boundaries of the empire. A careful study of the Christian centuries reveals a continuous effort, often feeble, often tremendous, to get away from the imperialism which Rome had created and which Christian civilization could not destroy. The colonies in this country existed as a protest against the autocracy and imperialism of Europe. Our statesmen avoided entangling alliances with European countries that they might indicate thereby their love for democracy and their hatred of its arch enemy.

But today in this country we are engaged in a different warfare. The conflict in this country in the future will be democracy against plutocracy. The hell of today is the terror of not having money, not making it quickly and not making it in abnormal quantities.

We have accumulated more money during the past seventy years than during the other eighteen hundred and fifty years of the Christian era. In 1820 our national wealth was \$2,000,000,000. In 1840 it was \$4,000,000,000,000. In 1860 it was \$16,000,000,000. Today our national wealth is estimated at \$150,000,000,000. Fifty thousand people in this country control seventy-five per cent of the wealth of the country. In 1900 in this country we had two hundred persons with \$20,000 each; four hundred persons with \$10,000,000 each; one thousand persons with \$5,000,000. If we had these figures to date the record would seem incredible. Many years ago an authority indicated that one per cent of the families of the United States own more than the ninety-nine per cent. This is a shocking inequality of wealth and alarming inequalities.

Men today believe that it is a disgrace to die rich, many think it is a disgrace to live hoarding abnormal wealth. Public opinion, a more careful use of the ballot and a better enforcement of laws will assist in the solution of the problem.

A better system of taxation and more rigid enforcement of tax laws are desirable. In New York City a few years ago a man died leaving an estate of \$74,000,000 and he had been paying taxes on \$500,000. We are informed that this case is not so exceptional. It might be many rich men and large corporations in our own state, county or city pay taxes fully and promptly. More importance will be attached to income tax and much more to inheritance tax.

The man who inherits \$200,000 should be compelled to pay ninety per cent of this amount to municipal, state or national treasuries. Readjustment will be made as time passes. Permanent local, state and national reforms are revolutionary. The government will not be overthrown.

The laws of right are eternal laws. The judgments of truth are true. My greed, blind masters. I bid you pause and gaze on the work you do. You blind with shekels your fellowmen. Your hands with their blood are wet. But the God who reigned over Babylon is the God who is reigning yet.

### CONCORD PEOPLE ATTEND DEDICATION

Number Were Present at Dedication of Lynville Christian Church—Concord News Notes.

Concord, Jan. 6.—Those from here to attend the church dedication at Lynville on Sunday were Mr. and Mrs. Bert Way, Mrs. Jesse Morrison and Mrs. C. O. Bayless.

Dr. C. E. Black, wife and daughters, the Misses Bettie and Marjorie, were guests at the home of Mr. and Mrs. Frank Brown Sunday for dinner.

Jesse Morrison and his mother, Mrs. F. L. Morrison went to Scott county Sunday and were accompanied by Miss Mildred Taylor who has been visiting them several days. Miss Taylor is the daughter of Mr. and Mrs. Luther Taylor of the vicinity of Merritt.

Mr. and Mrs. Ray Brockhouse of Pleasant View, Miss Rose Quigg and sister, Miss Nelle Quigg of Virginia were dinner guests of Mrs. Ethelyn Plank Saturday.

Miss Verna Morris of Arenaville returned home Saturday noon after a pleasant visit at the home of Veryl and Edna Plank.

Mrs. A. C. Valentine and Miss Irene went to Pittsfield Friday morning and drove from there to Milton to visit Mr. and Mrs. T. W. Bass. Mr. Bass is pastor of the Milton Christian church. They were former residents of Concord and have numerous friends here.

Aura says to tell the Journal readers that the "old man" stayed home and "kept back."

Mr. and Mrs. Andrew Wheeler motored to White Hall Saturday to visit Mr. Wheeler's brother, Harvey, and family. They returned Sunday evening.

The Ladies Aid of the Concord Christian church met Friday afternoon with Mrs. B. A. Cratz for their regular monthly meeting. The society presented their president, Mrs. Alice Ham, with a set of sauce dishes and a tureen.

One car of coal was received here Friday and two cars on Saturday. They filled a long felt want.

Miss Mabel Ham spent the holidays with her grandparents, Mr. and Mrs. Milton Ham.

Miss Ruth Henderson of the force at Waddell's spent her New Year's vacation with her sister, Mrs. H. Wester.

Miss Gail Nickel, teacher of the school at Pleasant View, is now staying with Mrs. Ethelyn Plank instead of driving back and forth. Enoch Valentine of Litchfield, spent the holidays with Mr. and Mrs. A. C. Valentine.

### MISS MAY GIVES PARTY FOR ETHEL

"Hello, Central, give me Main 1400." "Hello, Ethel, this is May—just called up to see if you couldn't come over early, ahead of the rest—something to show you."

"Why sure, I'll be right over." "Come in Ethel, take off your things—come right up. I have something to show you. I sure am glad you could come over so early." "Why, May! what a wonderful bedroom set, and such pretty bedding—wool blankets, linen spread! Oh My! How did you do it?" "Well, I'll just tell you. I went into the Peoples Furniture Co. store, So, Sandy St., and bought this wonderful bedroom set and got so many S. & H. Green Trading Stamps, so I just started to save those stamps—you know the leading stores of Jacksonville are giving them and I trade where I can get S. & H. stamps—so I got those blankets, spread and all my bedding with stamps and I have almost enough to get a silver set. Tell your friends to trade at The Peoples Furniture Co., they give S. & H. stamps."

# Essex Beauty Sets New Auto Standard

The First Demonstrator Received by

## D. N. James Automobile Co

Amazed Local Motorists by its Wonderful Performance

Setting new standards of automobile beauty, economy and performance, the first Essex demonstrating car received was the center of interest for local automobile enthusiasts this week.

The car, a five passenger phaeton, is attractively finished in satiny, dark green. It has the smart, square lines which have been so widely copied during the past year. In every detail of finish, from its deep luxurious upholstery to its slanting wind-shield, it is comparable only to the most costly cars on the market.

Possessing a flexibility and a seemingly unlimited reserve of power, the performance of this Essex is little short of miraculous. Tests have proved its ability to accelerate from a standing start to 20 miles an hour in 2.5-6 seconds and to 30 miles an hour in 5.2-3 seconds. No hill, however steep, can stop it and it rides over the roughest roads with the ease and comfort of a car of much greater weight.

Aside from its wonderful performance, one of the most distinguishing characteristics of the Essex is a notable simplicity of design. The engine, is just a clean block of metal. Every

excess part has been eliminated, making the task of the owner who cares for his own car a pleasure instead of a burden. The use of shutters on the radiators eliminates the necessity of covering the hood with unsightly bandages to retain the heat in the winter and permits of the utmost ease of starting even in the coldest weather.

Nothing but the very finest of materials and workmanship are used throughout the Essex. Its design incorporates the experience gained thru ten years of achievement in building fine cars. The proof of this is to be seen in its performance which has amazed the motoring world. It is built in the Hudson factory in Detroit and is backed by one of the strongest organizations to be found anywhere in the industry.

In 1919 its popularity was such that 20,000 Essex were built and sold and the demand in all parts of the country today is greater than ever. Although the factory capacity has been greatly increased, the number we have been able to obtain is strictly limited and is far below what we needed to satisfy our customers.

## URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

### Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcline mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people

who don't know about this simple recipe to be constantly sniffing and snuffing, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of an ounce of Mentholized Arcline—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy.

**Important Reminder:** Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

## NEGLECTING THAT GOLD OR COUGH?

Why, when Dr. King's New Discovery so promptly checks it

IT'S natural you don't want to be careless and let that old cold or cough drag on or that new attack develop seriously. Not when you can get such a proved successful remedy as Dr. King's New Discovery.

Cold, cough, grippe, croup does not resist this standard reliever very long. Its quality is as high today as it always has been—and it's been growing steadily in popularity for more than fifty years. 60c and \$1.20 a bottle at all druggists. Give it a trial.

### Tardy Bowels, Inert Liver

They just won't let you put "pep" into your work or play. Sick headache comes from retaining waste matter and impurities in the body.

Feel right for anything—make the liver lively, the bowels function regularly, with Dr. King's New Life Pills. Smoothly yet positively they produce results that cleanse the system and make the liver and bowels respond to the demands of a strong, healthy body. Still 25c at all druggists. Try them tonight.

**Famous Old Recipe for Cough Syrup**

Thousands of housewives have found that the only way to get the most of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2½ ounces of Pinex from a druggist, pour it into a pint bottle and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs, loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract known the world over for its healing effect on membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Hens Showed Steady Egg Gain for Mrs. Pierce in Winter Weather.

"The week before we tried Don Sung we got 5 eggs from 50 hens. The next week, we got 72 eggs, and the next week 104. Some of our hens are now pullets and Don Sung, he started them laying." Mrs. B. F. Pierce, R. F. D. 1, Butler, Tenn.

Mrs. Pierce selected a severe time for her test—the middle of January. Yet she started getting her eggs promptly. Your hens can lay well, in cold weather, and we'll prove it. Here's our offer:

Give your hens Don Sung and wait results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail, prepaid. Burrell-Dugger Co., 284 Columbia Bldg., Indianapolis, Ind.

**GUY L. SHAW.**

Candidate for Republican Nomination for Congress.

Elsewhere in this issue appears the authorized announcement of Guy L. Shaw of Beardstown as Republican candidate for member of congress in the lower house, for the 20th district of Illinois.

This congressional district is quite largely agricultural, and the farmers of this district feel they want one who is interested in their problems to represent them in congress; and because of Mr. Shaw's wide acquaintance with the conditions which confront the agricultural interests of the district, he has been urged by the farmers to become a candidate.

Mr. Shaw was born and reared on a farm in this district. His training and education was general, but largely along agricultural lines. He has been engaged in farming all of his life, except during the time spent attending the college of agriculture of the University of Illinois. For the past ten or twelve years Mr. Shaw has been engaged in farming and the management of farms on a large scale, which has given him a very wide experience in all of the phases of agriculture.

Mr. Shaw stands for constructive work along business and agricultural lines. While he feels that it would be an honor to represent this district in the lower house of congress, he is not seeking the office for mere glory or gain, but to do actual service for this district.

Few men are interested in the problems of farming and the general welfare of the people of this district as is Mr. Shaw. He is well-qualified for the office which he seeks; and if elected, will devote his best efforts to making laws that will best meet the needs of the common people of this district.

## ILLINOIS MOTHERS

Prepare for Trouble

When a girl becomes a woman, when a woman becomes a mother, and when a woman passes through the changes of middle life are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic diseases.

Dr. Pierce's Favorite Prescription is an alcohol-free remedy that any woman can safely take because it is pure from roots and herbs containing no opiates of the most pronounced character.

It is not a secret remedy because its ingredients are printed on wrapper.

Quincy, Ill.—"I was suffering, in a severe case of ulceration and inflammation of the uterus, and was so weak and run-down and nervous that I could not even do my own housework when commenced to take Dr. Pierce's Favorite Prescription Golden Medical Discovery and Pleasant Pellets. For one whole summer I took a complete course of treatment with these medicines (exactly following instructions on wrapper around the bottles) and from a miserable and afflicted woman I was transformed into a new being, full of health and strength with no sign of inward trouble whatever."

"I feel most grateful for what Dr. Pierce's medicines have done for me."

ANNA LITTLETON, 416 Vine St., East St. Louis, Ill.—"Dr. Pierce's Golden Medical Discovery has been used by our family for three generations. My grandmother used it. Mother used it. It cured down condition and cough and strengthened her and built her up. I have used it myself for having a true bulimia."

### Inside Facts

It's what's inside your battery that makes it live long or wear out quickly.

Inferior insulation wears out before the plates do, and re-insulation is necessary.

Threaded Rubber Insulation eliminates the need of re-insulation, makes a battery last much longer under equal conditions, and reduces the liability to any other kind of repairs.

It's the one biggest battery improvement in ten years—demonstrated now by four years of use.

You can't afford not to know about it, for some day you'll need a new battery.

Call and let us tell you all about it.

### MRS. CLEMENS IS GIVEN SURPRISE

After Ten Years Suffering She Takes Tanlac and Now Finds Herself Well.

"Tanalac has not only overcome my troubles but it has given me so much life and strength that I feel better than I have in ten years," was the statement made by Mrs. Angie Clemens who lives at 96 Collette Ave., Rosedale, Kansas, while talking to the Tanlac representative the other day.

"During the past ten years I have been troubled so bad with indigestion, rheumatism, nervousness and liver trouble that my condition had become serious," Mrs. Clemens continued. "My appetite was poor and what little I ate disagreed with me and gave me terrible pains in my stomach and gas formed so bad that it made breathing difficult for me. The rheumatism was all through my system and troubled me nearly all the time and my liver bothered me a great deal. I was so nervous that the least little sudden noise or sound would make me jump and at night I was too restless to sleep good and many a time I have lain awake until after midnight unable to close my eyes. Every morning I got up so weak and tired that all day long I felt worn out, and at times I could not walk around the house on account of the pains in my knees and back. I spent hundreds of dollars on different kinds of medicines and treatments but I got only temporary relief and I was in such wretched health I knew I couldn't go on in this condition much longer.

"Finally I began to read about Tanlac in the papers and as some of my neighbors who had tried it recommended it to me, I commenced taking it. And to my surprise I was feeling greatly improved by the end of the first week and I kept on getting better until now I am in fine health again. I have a splendid appetite, everything I eat digests perfectly with no bad effects at all. My liver is in fine condition and the rheumatism has just about all disappeared and my nerves are as steady as a clock. I sleep sound all night long and get up feeling so fine that my housework is a pleasure to me and I am gaining in weight and strength right along. Tanlac deserves all the credit for my well being and happy condition and I am only too glad to recommend it publicly for it has done more for me than everything else combined."

Tanalac is sold in Jacksonville by Coover & Shreve; in Mercedosia by Mr. R. B. Field; in Murrayville by M. E. Gilbert; in Waverly by Wyle Drug Co.; in Woodstock by The Hox Pharmacy; in Chapin by John Onken & Bros., and in Alexander by Frank J. Kaiser.—Adv.

## GRIP, INFLUENZA

Hamlin's Wizard Oil a Reliable Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and sniff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.
